**Student Financial Assistance Request Form**

2020 – 2021 School Year

**Village Church Student Aid Philosophy**

Christian education has been a core commitment of the Seventh-day Adventist Church since the early years of our history. As a denomination we believe it is vital to the training and nurture of young people. The Village Church affirms this tradition and stands with parents in their desire to educate their children in a God-honoring environment where Christian principles are esteemed and students are treated as God’s children. We believe that we have a responsibility to partner with parents and students who desire a Seventh-day Adventist Christian education. Funds generated by sales at the Village Church Center are dedicated to the Student Aid Scholarship Program. These funds are administered within the guidelines below.
